

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

In re:

*Ford Fusion and C-Max Fuel Economy
Litigation,*

This Document Relates to All Actions.

Case No. 13-MD-2450 (KMK)

15 CV 6107

~~PROPOSED~~ STIPULATED ORDER
EXTENDING TIME FOR FORD'S
ANSWER TO PLAINTIFFS' SECOND
AMENDED CLASS ACTION COMPLAINT
AND PLAINTIFFS' MOTION FOR CLASS
CERTIFICATION

KMK

On July 24, 2017, the Court entered an opinion granting, in part, and denying, in part, Ford's Motion to Dismiss Plaintiffs' Second Amended Class Action Complaint ("SAC"). Pursuant to that order, the Ford's Answer to Plaintiffs' SAC was due August 14, 2017. Pursuant to the Court's January 24, 2017 Second Amended Case Management and Scheduling Order, the deadline for Plaintiffs to file their Motion for Class Certification was August 23, 2017.

The parties are currently exploring whether a settlement may be possible in this case and agree that an extension as to Ford's time to Answer the SAC and Plaintiffs' time to file their Motion for Class Certification is appropriate to preserve judicial and party resources. On August 14, the Court entered a stipulated order extending the deadline for Ford's Answer to Plaintiffs' SAC to September 13, 2017, and the deadline for Plaintiffs' Motion for Class Certification to September 22, 2017. The parties are still engaged in discussing settlement and agree that an additional 45 day extension is appropriate.

Upon stipulation of counsel of record, as set forth below, and the Court being otherwise fully advised in the premises:

IT IS ORDERED as follows: Ford's deadline to file its Answer to Plaintiffs' SAC is extended to October 30, 2017, and Plaintiffs' deadline to file their Motion for Class Certification is extended to November 6, 2017. *There will be no more extensions.*

DATED: September 14, 2017, White Plains, New York
